Commencement of Services in the Cancellation Period

38. We must not begin the supply of a service (being part of the Services) before the end of the cancellation period unless you have made an express request for the service.

Effects of Cancellation in the Cancellation Period

39. Except as set out below, if you cancel this Contract, we will reimburse to you all payments received from you, including the costs of delivery (except for the supplementary costs arising if you chose a type of delivery other than the least expensive type of standard delivery offered by us).

Payment for Services Commenced During the Cancellation Period

40. Where a service is supplied (being part of the Service) before the end of the cancellation period in response to your express request to do so, you must pay an amount for the supply of the service for the period for which it is supplied, ending with the time when we are informed of your decision to cancel the Contract. This amount is in proportion to what has been supplied in comparison with the full coverage of the Contract. This amount is to be calculated on the basis of the total price agreed in the Contract or, if the total price were to be excessive, on the basis of the market value of the service that has been supplied, calculated by comparing prices for equivalent services supplied by other traders. You will bear no cost for supply of that service, in full or in part, in this cancellation period if that service is not supplied in response to such a request.

Timing of Reimbursement

41. We will make the reimbursement without undue delay.
